Manage Students

Once you have created an account or simply logged in to the EFS Mobile Payments website, you are able to add your student(s) to your account. This will help you make payments on behalf of your student(s) much quicker in the future.

To add students, select “Students” under the **Account Management** section located on the Main Menu.

If you choose to make a payment prior to adding students to your account, you will be prompted to add students before you can finalize your payment(s).

The screenshot displays the 'Manage Students' interface. At the top, there is a blue header with a hamburger menu icon and the text 'Manage Students'. Below the header, the 'Students' section indicates that no students have been added yet and provides a 'CONTINUE ON HOME' button. The 'Add Students' section contains two required input fields: 'Last Name *' and 'Student or Family Number *'. A red arrow points to the 'ADD STUDENT(S)' button located at the bottom right of the form.

To add a student, you must enter both the student’s Last Name and Student Number. If your student has already been added to your account, you can locate the Student Number under the “Students” tab on the Main Menu. If you do not know your student’s Student Number, please contact your school district.

You may choose to enter your family number in place of the Student Number. This will link any students associated with the Family Number, that has the same last name, to the account.

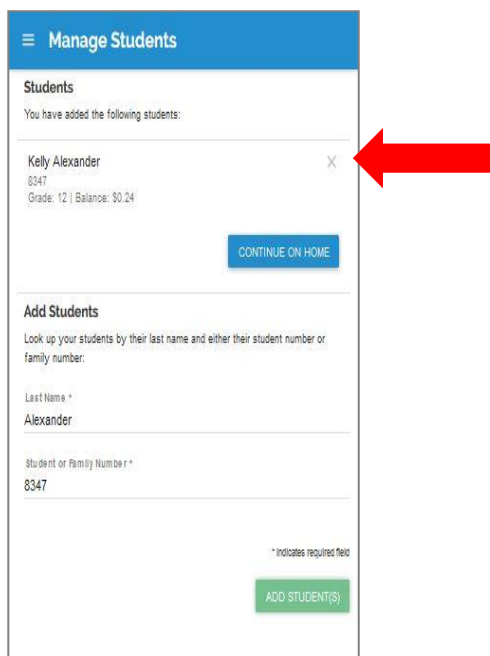

Once you have entered the required information, select “ADD STUDENT(S)” at the bottom of the screen.

Manage Students

Once your student(s) has been added to your account, their first name, last name, student number, grade and current lunch balance (if applicable) will be available at the top of the screen.

If you wish to remove a student from your account, select the “X” to the right of the student name.

The screenshot shows the 'Manage Students' screen in a mobile app. At the top, there is a blue header with a hamburger menu icon and the text 'Manage Students'. Below the header, the section is titled 'Students' and contains the text 'You have added the following students:'. A list of students is displayed, with the first entry being 'Kelly Alexander' with student ID '8347' and 'Grade: 12 | Balance: \$0.24'. To the right of the student name is a small 'X' icon, which is highlighted by a red arrow. Below the list is a blue button labeled 'CONTINUE ON HOME'. The bottom section is titled 'Add Students' and contains instructions: 'Look up your students by their last name and either their student number or family number:'. There are two input fields: 'Last Name *' with the value 'Alexander' and 'Student or Family Number *' with the value '8347'. A small note '* Indicates required field' is present. At the bottom right is a green button labeled 'ADD STUDENT(S)'.

Fund Lunch

Fund Lunch

To fund your student's lunch account, select “Fund Lunch” from the Dashboard or the Main Menu. Once selected, you will be able to view all students linked to your account that have a lunch option available.

If your school district has established a minimum or maximum payment amount, the amounts will be visible at this time. Tap on the word “Amount” to add your desired lunch payment amount.

Student Fees

Pay for Student Fees

To pay for any student fees on behalf of your student(s), select “Pay for Student Fees” from the Dashboard or the Main Menu. Once selected, you will need to choose a student to make a payment on their behalf.

Next, select which student fee you would like to pay. The student fees that are available for payment depend on the student fees that have been assigned to your student by your school district’s fee management system.

If your school district has established a minimum or maximum payment amount, the amounts will be visible at this time. Tap on the word “Amount” to add your desired student fee payment amount.

Optional Fees

Pay for Optional Fees

To pay for any optional fees on behalf of your student(s), select “Pay for Optional Fees” from the Dashboard or Main Menu. Once selected, you will need to choose a student to make a payment on their behalf.

The items viewed in this category will include optional items that your school district has set up within the EFS system.

If your school district has established a fixed payment amount for an Optional Fee item, the payment amount will be displayed as “School set at: \$00.00,” with a lock icon next to it.
